# Health Insurance Plan Basics

Before you can decide which plan to choose, it's important to understand a few basic elements. Insurance plans are built around a few types of cost components that directly impact your health care spending.

## HERE ARE SOME KEY TERMS TO KNOW

---

### **Premium**

The fixed monthly fee you'll pay for your health insurance plan. Depending on your household income, you may qualify for an advance premium tax credit to help pay for your monthly premium costs.

### **Copay**

A fixed dollar amount you're responsible for paying for a covered service, each time you seek that service—such as an urgent care center visit or a primary care visit.

### **Deductible**

This is the amount you'll spend on certain covered services before your plan starts paying for care.

### **Out-of-pocket**

These expenses include any money you'll pay toward covered health care expenses, such as copays and coinsurance.

### **Maximum out-of-pocket (MOOP)**

This is the maximum amount you'll pay for health care during the year. After you meet this amount, your plan will pay for all covered medical expenses.

# Understand How Your Plan Works

With an EPO (Exclusive Provider Organization) such as Oscar, your health insurance is activated only when you see a doctor in the network. If you get care with doctors outside the network, the visit won't be covered except in emergencies (or if there are no in-network options).

The good news is, you won't need a referral from your primary care doctor to see a specialist. That means one less copay, and one less trip to the doctor's office.

## HOW DOES AN EPO WORK?

---

Let's say you want to see a dermatologist about a mole on your arm.

With an EPO, such as Oscar, you can make an appointment to see an in-network dermatologist directly. Since no referral is needed, you can get that mole checked out ASAP.

If you have an HMO, you'll need to see your primary care doctor for a referral before you can schedule an appointment with a dermatologist.

## HMO VS. EPO VS. PPO: PROS AND CONS

---

### EPO

- Full access to network
- No out-of-network benefits
- No referral required
- Cost-effective premiums

### HMO

- Limited access to network
- No out-of-network benefits
- Referral required

### PPO

- Full access to network
- No out-of-network benefits
- No referral required
- Higher premiums

# Understand How Your Plan Works

## OUR OFFERINGS

---

60% of covered health costs paid by Oscar, 40% paid by you.

### **Silver plan**

70% of covered health costs paid by Oscar, 30% paid by you.

### **Gold plan**

### **Platinum plan**

**Highest premium,  
lowest deductible**

## **What is a Health Savings Account (HSA) plan?**

An HSA is a savings account you can set up to pay for health care expenses with pre-tax contributions. HSAs can be used only with specific HSA-compatible insurance plans that typically have high annual deductibles and lower monthly premiums. These plans can help you save on premium contributions for your health coverage.

Because an HSA works alongside an insurance plan, you'll need to purchase an HSA-eligible plan to use one. You can contribute pre- or post-tax to your HSA, and use that money to pay for qualified medical expenses throughout the year. Note that if you take money out for non-qualified medical expenses before you turn 65, you'll pay a tax penalty.

\*Metal tier structure varies and is subject to plan deductibles, copayments, and coinsurance

## Why does Oscar offer these plans?

Premiums of Silver tier plans on the government exchange have gone up, due to government defunding of cost-sharing reduction (CSR) subsidies.

In response, Oscar has created off-exchange Silver alternatives.

## What should I know about these plans?

They are only available off of the exchange.

They have lower premiums than comparable Silver tier plans on the exchange.

## Are these plans right for me?

If you do not qualify for subsidies on the government exchange at any point in 2021, and are seeking a Silver tier plan, these may be a good option for you.

See the plan's Schedule of Benefits & Coverage (SBC) for more on coverage details. All this information and more can be found on our Broker Resources page: [hioscar.com/brokers](https://hioscar.com/brokers)
