

Workers' Compensation

Workers' compensation insurance is mandatory anywhere you find an employer employee relationship. With licensed professionals who have more than 75 years of combined industry experience in sales, underwriting and broker services, our Workers' Compensation Team offers dedicated support at no charge to your agency.

Pre-sale Support

Whether workers' compensation is a new product line to you or not, we have the team to support you in your success through key services, such as:

- Workers' compensation training opportunities, from basics to customized presentations
- Marketing support, including brandable pieces
- Assistance with pre qualifying prospects
- and education around the application and submission process
- Workers' Comp Online Submission tool
- Educated market placement advice
- Aggressive rate negotiation
- Team conferencing for ease with client Q&A

Post-sale Support

Our team will assist in handling any questions or concerns that may arise throughout the policy term with our vast knowledge of the industry and the strong relationships we have built with our carrier partners. Customer support throughout the policy term includes assistance with:

- Issuing policy documents such as binders, certificates and loss runs
- Invoices, collections, or pay-as-you-go questions
- Questions around cancellations and reinstatements
- Processing endorsements
- Review of final audits
- Processing of renewals and proactively re-shopping when needed

Carrier Partners

Our competitive carrier partners have superior financial strength and offer added-value services at no additional cost to assist you in your sale. Through our market access, we can support a wide variety of appetites, from low- to high hazard risks. And we can assist you and your clients almost nationwide.
